ABOUT US
StreetWorks is a collaborative of youth-serving agencies who work with youth ages 13-24. StreetWorks Outreach Workers (OWs) are on the streets, in schools, and in your communities. For more information about StreetWorks, visit www.streetworksmn.org.

SAFE HARBOR
Youth who are managing unstable housing are sometimes in situations where they’re asked/pressured to trade sexual acts for things of value. If you are 24 or under and have been asked/pressured to trade sexual acts for food, clothes, money, shelter or anything else, these Safe Harbor Navigators can help you get connected to services:
